COOKON 525S FRYER SERIES

525S SERIES GAS DEEP FRYER

The 525S series gas deep fryers are renowned for their reliability and performance and have become serious work horses in many busy take away outlets, hotels and restaurants. The versatility of the 525S series is evident as many catering hire companies choose this model for its size and mobility. The 525S series is available in both single and twin pan models with the 304 stainless steel easy clean pans.
